## WORLD WATER DAY CHALLENGE

To,

Dear WASRAG Team,

This is Rtn. Durga Sali, President of Rotary club of Nasik Grapecity 2018-2019 of District 3030. My mobile number is +919049294420.

Email id- mailtodurga17@gmail.com

### 1) Project I

Our club, RC Nasik Grapecity successfully executed a riverside tree plantation project on the 16th of July '18.105 saplings of native trees like Karanj, Shivan, kadamb,Arjun,Tamarind,Jambhul,Bamboo,Umber,Neem were planted along the bank of the Godavari river. The purpose of the plantation was multifold. Apart from beautifying the river bank, it serves the purpose of adding to the green cover of our city, Nasik, It also helps reduce soil erosion along the river bank. The choice of trees is in line with maintaining the biodiversity in the area along the river bank. The plants are being nurtured, watered regularly in association with Apla Paryavaran group, our service partners in the project. They shall be nurtured for a minimum of 3 yrs till they become self sustaining. Thereafter the green cover shall increase by way of natural propagation. This shall have a very positive impact on the biodiversity, the natural ecosystem of the city & improve the environment for the 18, 00,000 plus population of Nasik.

### BOARD OF DIRECTORS 2018-2019

Rtn. Alka Singh  
IPP

Rtn. Vivek Saykhedkar  
VICE PRESIDENT

Rtn. Anil Deshmukh  
JOINT SECRETARY

Rtn. Jayant Khairnar  
DIR PUBLIC RELATIONS

Rtn. Asha Venugopal  
TREASURER

Rtn. Uma Datta

## 2) Project II

On the 12th of February'19, our club, RC Nasik Grapecity, installed a RO water filtration plant at a local school, Savitribai Phule Vidyalyaya. Of the 1500 students studying here more than 95% of the children had no access to clean, potable drinking water. This obviously affected their health, Studies & consequently burdened the poor families economically. With sponsorship from BlueCross Laboratories (CSR) we installed a RO plant with a filtration capacity providing 200litres of filtered, potable water per hour. This project of RC Grapecity Nasik, costing INR.3.08 lakhs is having a very positive impact on the health of the 1500 students, beneficiaries of the project.

Our Club was lucky enough to have Rotary family exchange guests from “Somerset” UK. Rtn Jeremy, his wife Rtn Amanda & Rtn Lauren Biffen, who kindly consented to inaugurate the RO Plant project.

KUDOS!!! To the Grapecity team who worked hard to make these projects successful.

Thanking You.

Yours Sincerely,

Rtn Durga Sali.

President RCN GrapeCity
